Shopping

About Newbury Town Centre

The main shopping locations are in Northbrook Street, Bartholomew Street, Market Place, Cheap Street and their immediate vicinity. Parts of Northbrook and Bartholomew Streets have restricted vehicle access between 10 am and 6pm.

The Kennet Centre is a covered shopping mall with multi storey car park and accessible toilet facilities located alongside the centre. Access to the shops and services within the centre is generally of a good standard.

Newbury has an outdoor market twice a week (Thursday and Saturday), located in the Market Place. There is also a farmers market on the 1st Sunday in the month in the same location.
